

Life Directions

Mission // To motivate young adults, 13-35, to become mature, responsible and productive adults through self direction!

KEY SERVICES PROVIDED

Life Directions is one of Detroit's best kept secrets - what we do works!

Validated studies show that our programs promote peacebuilding that reduces addictions, violence, and high school dropout, while empowering young people to thrive in school and embrace values and goals that lead to success.

Peer Motivation brings young people on a positive path together with struggling students. Peers inspire peers to take charge of their lives and make a difference.

Neighborhood Enrichment connects adults from local and business communities to mentor, organize service-learning projects and lead young adults and teens toward college and quality careers.

Peer Mentor trains achieving Peer Motivation students to lead at-risk 8th graders to make high school work for them. Life Directions serves Western International High School and Amelia Earhart Middle School.

Scott Wrobel
Rev. John Phelps, C.Ss.R., President/CEO

DONATE TODAY

Life Directions needs your support to reach more than 3,500 young adults each year; most of whom live in underserved communities. Your financial support can make all the difference right now and in the future of a young adult.
